HOBS WITH INTEGRATED EXTRACTOR

The modern extractor solution offers one thing above all – more freedom:
A clear view, as the fumes are extracted directly where they arise.
Odourless cooking and more freedom in kitchen planning.

High-quality filter systems allow nothing but fresh air to be produced,
while still being powerful and noise-free. The perfect combination of heat
and air in a single appliance.

A close-up photograph of a metal blade, likely a utility knife blade, showing a brushed metal texture. The blade is angled diagonally across the frame. In the upper right portion of the blade, the brand name "BLAUPUNKT" is printed in white, uppercase letters. To the left of the text is a small, solid blue circle, which is the brand's logo. The background is dark and out of focus.
